£29995.

Stunning 4 berth camper conversion built using top quality components. Reimo elevating roof with bed upstairs comfy glide bed in the rear with fixed seat belts classic vw side kitchen and wardrobe with tambour door for easy access. Handy overhead lockers and a 2 burner hob and sink to complete this versatile multi purpose camper.

“Fully equiped 4 berth camper van with excellent fuel economy and car like versatility a true multi purpose vehicle...”

In 2009 I was looking for a fleet of VW campers to add to our growing hire operation. Having scoured the contry for a quility VW camper van we choose this conversion It has proven extremley reliable is easy to use and has been extremley popular with our clients. This style of conversion has become a top seller for us.
